Your local update – Salterbeck Five updates for Spring 2024

Welcome

Welcome to our first quarterly newsletter keeping you up to date with what is happening in your local area. These newsletters will provide updates on Riverside services and community activities. We hope you enjoy reading them.

We have two housing officers who are available to assist and support customers within the Salterbeck estate on a wide range of housing issues - Teresa Little (left) and Tyler Thorn (right).

For details on how to contact us, please visit www.riverside.org.uk/contactus. If our customer service advisors can't resolve your issue, the local team will contact you within 48 working hours. A telephone to contact us is available for customers to use on the front counter of The Oval Centre from Monday to Friday 9am to 5pm

Backfield improvements

Riverside have been awarded just over £20,000 to create a walk in the woods experience on the backfield in Salterbeck. The funding will create a wheelchair friendly path through the coppice woodland with the planting of wildflowers to create a beautiful environment for the residents of Salterbeck to use. There will be opportunity to take part with a Community Event with the planting of woodland flowers. The project will run from April to September 2024 and be led by our Environmental Services Officer, Denys Nash, who obtained the funding and is passionate about creating a sustainable nature space for the community. Updates will be posted on The Oval Facebook page publicising opportunities to be involved.

Gorgeous gardens

Riverside are bringing back gorgeous gardens to Salterbeck. Staff and volunteers will walk around the estate during August and award any worthy gardens a traditional rosette, which can be displayed proudly in your windows. We are looking for tidy, well-maintained gardens, free from rubbish. Anyone receiving a rosette will be entered into a prize draw to win one of two £50 Asda vouchers. Let's aim to have the estate looking amazing this summer.
