NEW BEGINNINGS

Makers Yard honours the communities of shipbuilders and ironworkers that once lived here and worked to form the foundations of one of the world's greatest cities.

Life here is about saluting the pioneers, welcoming those with the vision to find a different way and embracing anyone who is brave enough to be the first.

It's about celebrating the makers.

The beating heart of Canning Town

The apartments at Makers Yard are sympathetically designed to create a strong sense of identity whilst remaining true to its surroundings, setting the benchmark for quality. Outside space forms an important part of the aesthetic – from private balconies to all homes to courtyard podium gardens, every detail has been thought of – and all are available with Shared Ownership or Shared Equity.

Whether you are a first time buyer or a family in need of the extra space, our range of 1, 2 and 3 bedroom apartments and 2 and 3 bedroom duplexes are designed to suit every lifestyle. Each one of our homes is built with a high specification that comes as standard including integrated appliances in the kitchen and flooring throughout. A place you can truly call home.

Shared Ownership

We believe everyone should have the opportunity to own their own home, that's why the apartments at Makers Yard are available through Shared Ownership. Designed specifically for first-time buyers, this government scheme allows you to purchase a portion of your home and pay rent on the rest. Doing it this way not only

means you can borrow less, but with a minimum deposit of 5%, it also means you don't need so much money upfront. What's more, as your financial situation improves, you can purchase a larger share through a process called 'staircasing', allowing you to increase your investment when it's comfortable for you.

THE SPIRIT OF CANNING TOWN

Promoting a strong sense of community is very important at Makers Yard - which is why you will find more than just well designed affordable homes.

Landscaped spaces and podium gardens promote an area to gather with neighbours and friends, as well as housing further amenities that add to those already planned as part of the wider Hallsville Quarter regeneration; a unique blend of high street and independent shops, cafés, bars, restaurants – as well as leisure facilities.

STANDING THE TEST OF TIME

London is a city that has always led the way. Whether in fashion, business, entertainment, industry or politics, London's ability to evolve has seen its influence span far and wide.

This very same forward-thinking runs through every strand of Canning Town's £3.7billion regeneration.

How SHared Ownership Works

£492,500

FULL MARKET VALUE

FAQs

WHAT IS SHARED OWNERSHIP?

The Shared Ownership scheme allows you to purchase a percentage of the full market value whilst paying a subsidised rent on the remainder. For example, at Makers Yard you will be able to purchase between 40% – 75% at the beginning. You will have the opportunity to buy further shares in your property and eventually staircase to 100% ownership if you have the funds to do so.

WHAT ARE THE MAIN BENEFITS?

- The monthly payments are generally lower than if you were to rent privately in the area.
- You have the opportunity to get onto the property ladder for less, offering long-term stability without stretching yourself financially.
- Your deposit will be lower than purchasing on the outright sale market.
- You are able to sell your share at any time.
- You have the option to buy more shares in your home via a process called staircasing.

DO YOU NEED TO LIVE OR WORK IN THE BOROUGH?

Whilst priority is given to those living or working in Newham, you can still purchase if you live or work in a London borough.

HOW DO I DETERMINE WHAT SHARE PERCENTAGE I CAN PURCHASE?

We have a panel of Financial Advisors that will be able to speak to you about your affordability and confirm a percentage that will be affordable.

WHAT IS THE MINIMUM DEPOSIT?

5% is the minimum deposit available however we usually advise a 10% deposit, as this will give you a better mortgage interest rate.

CAN I PURCHASE AT MAKERS YARD IF I ALREADY OWN A PROPERTY?

You will not be able to purchase under the Shared Ownership scheme if you own another property. In order to proceed, you will need to have sold any property to your name.

HOW MUCH RENT WILL I PAY?

The rent is 2.75% multiplied by the share that you do not own, which will give you your annual figure that is divided into 12 monthly payments.
